

Thank you to all parishioners at Our Lady Queen of Martyrs Parish for your generous support to CAFOD and for your latest donation of £1051.14 which we received this week. We have received a total of £1051.14 from your parish. We are still processing donations. If you have also sent us donations via post, online or through the contactless device in your parish, we look forward to sending you an updated total soon.

Your prayers and gifts will make such a difference to communities on the front line of the climate crisis, those suffering the worst effects of climate change, and those who are dedicating their lives to protect our common home.

This Family Fast Day, we shared Ivanilde's story. Local experts from our church family have helped Ivanilde's community win the right to stay and protect the piece of Amazon they call home. They have replanted and restored her corner of the rainforest. She says: 'I hope that we can have more love and more care for nature.'

Ivanilde's life is a beacon of hope for our world, which we can live in harmony with creation and our global family. Thank you for sharing this hope, for your faith, and for reaching out in love to our sisters and brothers who are experiencing the worst effects of the climate crisis.
